

CURRICULUM VITAE

Goncharov Evgeny, MD, PhD

Date of birth: 06 March 1986

Work address: Litovskiy blvd., 1a, 117593, Moscow, Russia
Central Clinical Hospital of the Russian Academy of Sciences
Tel.: +74954070169

Home address: Nakhimovskiy avenue, 47-1-100, 117418,
Moscow, Russia

Mob. +79169822050

E-mail: goncharoven@gmail.com

Website: www.doctorgoncharov.ru

Professional positions

- **2018 – present**
Head of Department
Traumatology and Orthopaedic Surgery Department
Central Clinical Hospital of the Russian Academy of Sciences (Russia, Moscow)
- **2011 – 2018**
Orthopaedic surgeon
Orthopaedic Surgery Department
Central Clinical Hospital of the Russian Academy of Sciences (Russia, Moscow)
- **2011 – present**
Associate Professor (2011-2017 – Research Officer)
Traumatology and Orthopaedic surgery Department
Russian Medical Academy of Continuous Professional Education (Russia, Moscow)

Professional societies membership

- Russian Arthroscopic Society (RAS)
 - Secretary RAS
- American Association of Orthopaedic Surgeons (AAOS)
- European Society for Surgery of the Shoulder and the Elbow (SECEC/ESSSE)
 - Eastern Europe Committee member
- European Society for Sports Traumatology, Knee Surgery and Arthroscopy (ESSKA)
 - Education Committee of European Shoulder Associates (ESA) member
- Corresponding member of the “International Orthopaedics”, the Official Journal of International Society of Orthopaedic Surgery and Traumatology (SICOT)
- Corresponding member, reviewer of the “EFORT Open Reviews”, the Official Journal of the European Federation of National Associations of Orthopaedics and Traumatology (EFORT)

Fellowships

- Training in Orthopaedic Surgery Department, Hospital D.Cervesi under supervision of Professor Giuseppe Porcellini
July 2014, July 2011, May 2011
Italy, Cattolica
- Training in Aspetar Orthopaedic and Sports Medicine Hospital under supervision of Professor Philippe Landreau
April 2014, May 2014
Qatar, Doha
- Training in the Department of Orthopaedic Surgery and Sports Traumatology, Hospital de l'Archet2 under supervision of Professor Pascal Boileau
October 2012
France, Nice
- Training in Trauma and Orthopaedic Surgery Department, Hospital Flevoziekenhuis Almere under supervision of Professor Senail Sivro
October, November 2010
Almere, Netherlands

Creation, organization and co-organization of International Courses and Congresses

- Russian Arthroscopic Society Congress
2019, Russia, Moscow
- Congress "Current trends in foot and ankle surgery"
Central Clinical Hospital of the Russian Academy of Sciences
2019, Russia, Moscow
- Cadaver course "Shoulder arthroscopy"
Central Clinical Hospital of the Russian Academy of Sciences
2019, Russia, Moscow
- Course "Knee ligament injuries" - Comprehensive restoration of of the knee ligaments
Central Clinical Hospital of the Russian Academy of Sciences
2019, Russia, Moscow
- Sport medicine Congress "Knee ligament injuries"
Central Clinical Hospital of the Russian Academy of Sciences
2018, Russia, Moscow
- "XII Congress of the Russian arthroscopic society"
2016, Russia, Moscow
- "Moscow Shoulder course"
Central Clinical Hospital of the Russian Academy of Sciences
2015, Russia, Moscow
- "Shoulder surgery course"
Central Clinical Hospital of the Russian Academy of Sciences
2013, Russia, Moscow
- "Shock wave therapy in practice of orthopaedic surgeons"
Central Clinical Hospital of the Russian Academy of Sciences
2012, Russia, Moscow

Education

- **2011 – 2014**
PhD in Traumatology and Orthopaedic Surgery
Russian Medical Academy of Postgraduate Education (Russia, Moscow)
Thesis title: “Shoulder instability treatment on a base of complex diagnostics”
- **2009 – 2011**
Postgraduate
Resident in Orthopedic and Trauma Surgery
Traumatology and Orthopaedic surgery Department
Russian Medical Academy of Postgraduate Education (Russia, Moscow)
- **2003 – 2009**
Undergraduate
Russian State Medical University, Therapeutic faculty (Russia, Moscow)

Courses attended

- Innovations in Shoulder Arthroscopy, ESSKA advanced course (June 2018, Rotterdam, The Netherlands)
- Endoprosthesis of the knee joint, Russian Medical Academy of Continuous Professional Education advanced course (June 2018, Moscow, Russia)
- Insights in Meniscus Repair (May 2018, Moscow, Russia)
- Insights in Shoulder Repair (July 2017, Croxley Green, United Kingdom)
- Nice Shoulder Course 2016 (June 2016, Nice, France)
- ESSKA-AFAS State of the Art on Ankle Pathology and Sports Trauma Course (January 2016, Barcelona, Spain)
- Traumatology and Orthopaedic surgery, Russian Medical Academy of Continuous Professional Education advanced course (May-June 2015, Moscow, Russia)
- Comprehensive Knee and Shoulder Surgery Training Course (Rehasport clinic) (March 2015, Poznan, Poland)
- Nice Shoulder Course 2014 (June 2014, Nice, France)
- Spine injuries and pathologies treatment, Russian Medical Academy of Continuous Professional Education advanced course (October 2014, Moscow, Russia)
- Nice Shoulder Course 2012 (June 2012, Nice, France)
- International arthroscopic shoulder Skills Lab (April 2012, Kiel, Germany)
- The ATRAD Certification Course (October 2010, Berlin, Germany)
- The Extracorporeal Radial Shock Wave Therapy in theory and practice (October 2010, Berlin, Germany)
- Knee Arthroscopy Course, IRCAD (October 2010, Strasbourg, France)
- Shoulder Arthroscopy Course, IRCAD (October 2010, Strasbourg, France)

Throwing athletes shoulder. Management.
Moscow Shoulder Course
XI Congress of the Russian arthroscopic society on the occasion of the 130th anniversary of academician N.N. Priorov
Russia, Moscow, April 2015
- **Goncharov E.N., Golubev V.G., Devis A.E., Rodionov A.V.**
Shoulder instability treatment on a base of complex diagnostics.
XI Congress of the Russian arthroscopic society on the occasion of the 130th anniversary of academician N.N. Priorov
Russia, Moscow, April 2015
- **Goncharov E.N.**
Throwing athletes shoulder surgical treatment.
Russian Volleyball Federation congress for sport medicine and rehabilitation.
Russia, Moscow, April 2015
- **Goncharov E.N.**
Knee surgical treatment.
Russian Volleyball Federation congress for sport medicine and rehabilitation
Russia, Moscow, April 2015
- **Goncharov E.N.**
Sport traumatology in Russia.
Sport traumatology Congress “The battle”

- San Marino, November 2014
- **Goncharov E.N.**, Pellegrini A., Porcellini G.
Shoulder in professional volleyball players prevalence of supraspinatus abnormalities in imaging findings. Poster presentation.
25th SECEC-ESSSE European Society for Surgery of the Shoulder and Elbow Congress.
Turkey, Istanbul, September 2014
 - **Goncharov E.N.**
Partial supraspinatus tendon tear: from conservative treatment to arthroscopic reconstruction.
The First International Scientific and Practical Conference Petersburg Arthroforum.
Russia, St. Petersburg, May 2014
 - **Goncharov E.N.**, Golubev V.G., Devis A.E., Smakotin Ya.Yu., Arutyunov G.G., Uchevatkin A.A.
The lateral realise role in patella dislocation treatment.
The Second Congress of Moscow Traumatologists and Orthopaedic Surgeons Association
“Traumatology and Orthopaedic Surgery of the Capital. Present and future”.
Russia, Moscow, February 2014
 - **Goncharov E.N.**, Golubev V.G., Devis A.E.
Treatment of inflammatory complications after ACL reconstruction.
The Second Congress of Moscow Traumatologists and Orthopaedic Surgeons Association
“Traumatology and Orthopaedic Surgery of the Capital. Present and future”.
Russia, Moscow, February 2014
 - **Goncharov E.N.**, Golubev V.G., Devis A.E., Smakotin Ya.Yu., Arutyunov G.G., Uchevatkin A.A.
The shoulder pathologies study based on example of volleyball players.
International conference “Artromost 2013”, “Modern technology in shoulder, knee and hip arthroscopic surgery”.
Russia, Moscow, December 2013
 - **Goncharov E.N.**, Golubev V.G., Devis A.E., Smakotin Ya.Yu., Arutyunov G.G.
Our experience in treatment of throwing athletes shoulder.
Scientific-practional conference of Central Scientific-Research N.N. Priorov Institute of Traumatology and Orthopaedics “Present and future of Traumatology and Orthopaedics”.
Russia, Moscow, November 2013
 - **Goncharov E.N.**, Golubev V.G., Devis A.E., Smakotin Ya.Yu., Arutyunov G.G.
Our experience in treatment of throwing athletes shoulder.
The anniversary international scientific conference “The modern approach to the management of a polytrauma patient”.
Russia, Moscow, November 2013
 - **Goncharov E.N.**, Golubev V.G., Devis A.E.
Our experience in the treatment of shoulder instability.
X congress of Russian arthroscopic society (RAO).
Russia, Moscow, 2013
 - **Goncharov E.N.**, Ostankov A.A., Akimkina A.M., Rodionov A.V.
Radial shock wave therapy in shoulder pathology.
International Conference on Radial shock wave therapy.
Russia, Moscow, 2011
 - Akimkina A.M., **Goncharov E.N.**, Rodionov A.V., Znamensky I.A.
Comparative evaluation of MRI data and data from medical-diagnostic arthroscopy in the shoulder rotator cuff.
IV Russian National Congress on radiation diagnosis and therapy.
Russia, Moscow, 2011
 - Akimkina A.M., Rodionov A.V., **Goncharov E.N.**, Znamensky I.A.
MRI diagnosis of traumatic injuries of shoulder against the degenerative changes in rotator cuff.
III Eurasian Congress on Medical Physics.

Russia, Moscow, 2010

- Akimkina A.M., **Goncharov E.N.**, Rodionov A.V., Tereshenko G.V., Znamensky I.A. MRI diagnosis of shoulder injury against the presence of associated symptoms of pressing. XI International Congress "Health and Education in the XXI Century". Russia, Moscow, 2010

Teaching experience

- Course instructor
"Meniscus recovery"
February 2020, Russia, Murmansk
- Cadaver course instructor
"Moscow Shoulder cadaver course"
Central Clinical Hospital of the Russian Academy of Sciences
February 2020, Russia, Moscow
- Cadaver course instructor
Practical course on arthroscopy "Knee arthroscopy"
Central Clinical Hospital of the Russian Academy of Sciences
November 2019, Russia, Moscow
- Cadaver course instructor
ESSKA Advanced Shoulder Arthroscopy Course "All about instability and other Gleno-humeral Disorders"
June 2019, Germany, Cologne
- Cadaver course instructor
Practical course on arthroscopy "Advanced Knee arthroscopy" Smith&nephew professional education
Central Clinical Hospital of the Russian Academy of Sciences
May 2019, Russia, Moscow
- Cadaver course instructor
Practical course on arthroscopy "Basic Shoulder arthroscopy" Smith&nephew professional education
Central Clinical Hospital of the Russian Academy of Sciences
February 2020, September 2019, February 2019, October 2018, Russia, Moscow
- Cadaver course instructor
Practical course on arthroscopy "Basic Knee arthroscopy" Smith&nephew professional education
Central Clinical Hospital of the Russian Academy of Sciences
February 2020, October 2018, August 2018, March 2018, February 2018, Russia, Moscow
- Live surgery
Sport medicine Congress "Knee ligament injuries"
Central Clinical Hospital of the Russian Academy of Sciences
April 2018, Russia, Moscow
- Cadaver course instructor
Advanced practical course on arthroscopy "Shoulder injuries treatment" Smith&nephew professional education
Central Clinical Hospital of the Russian Academy of Sciences
March 2018, December 2017, Russia, Moscow
- Cadaver course instructor
Advanced practical course on arthroscopy "Shoulder injuries treatment" Smith&nephew professional education
November 2017, Russia, St. Petersburg
- Live surgery

- Congress of Traumatology and orthopaedic surgeons of Nord Caucasus
North Ossetian state medical academy clinic
May 2017, Russia, Vladikavkaz
- Live surgery
Training course “Shoulder and knee Arthroscopy”
April 2017, Russia, Kazan
 - Instructor
Arthroscopic Shoulder Surgery Cadaver Lab under supervision of Pr. P. Boileau
October 2012, France, Nice
 - Mentor of training course of thematic improvement on “Shock wave therapy”
Traumatology and Orthopaedic surgery Department
Russian Medical Academy of Postgraduate Education
2011 – present, Russia, Moscow
 - Mentor of training course of thematic improvement on “Arthroscopy”
Traumatology and Orthopaedic surgery Department
Russian Medical Academy of Postgraduate Education
2011 – present, Russia, Moscow
 - Mentoring of orthopaedic residents
Traumatology and Orthopaedic Surgery Department
Russian Medical Academy of Postgraduate Education
2011 – present, Russia, Moscow

Participation in congresses

2020

- First Volga Congress on Sport Medicine and Rehabilitation (March 2020, Russia, Orenburg)
- V Russian and International Congress “Medical management in Trauma” (February 2020, Sankt-Petersburg, Russia)

2019

- International conference “Artromost 2019” (November 2019, Moscow, Russia)
- Current trends in foot and ankle surgery (November 2019, Moscow, Russia)
- XII International Symposium on Sports Medicine and Rehabilitology under the auspices of the Sechenov First MSMU (October 2019, Moscow, Russia)
- 2nd North Caucasus Congress on Sports Medicine and Rehabilitation (September 2019, Grozny, Russia)
- International congress of Traumatologists and Orthopaedic Surgeons “Vredenovskie chteniya” (September 2019, St. Petersburg, Russia)
- V Congress of Traumatology and orthopaedic surgeons of Siberia (August 2019, Barnaul, Russia)
- Eurasian Orthopedic Forum (June 2019, Moscow, Russia)
- Course “Knee ligament injuries” - Comprehensive restoration of of the knee ligaments (April 2019, Moscow, Russia)
- XXVIII Isokinetic Medical Group Conference “Football Medicine Meets the Universe of Sport” (April 2019, London, GB)

2018

- 1st North Caucasus Congress on Sports Medicine and Rehabilitation (December 2018, Grozny, Russia)
- International conference “Artromost 2018” (December 2018, Moscow, Russia)
- XI International Symposium on Sports Medicine and Rehabilitology under the auspices of the Sechenov First MSMU (November 2018, Moscow, Russia)

- Sport medicine Congress “Knee ligament injuries” (November 2018, Moscow, Russia)
- International Congress “Trauma 2018: a multidisciplinary approach” (November 2018, Moscow, Russia)
- 28th SECEC-ESSSE European Society for Surgery of the Shoulder and Elbow Congress (September 2018, Geneva, Switzerland)
- 5th Russian Forum “Innomed” (June 2018, Penza, Russia)
- 18th ESSKA Congress (May 2018, Glasgow, United Kingdom)
- Sport medicine Congress “Knee ligament injuries” (April 2018, Moscow, Russia)
- XI Russian Meeting of Traumatologists and Orthopaedic Surgeons (April 2018, St. Petersburg, Russia)
- XI international Poznan course in upper extremity surgery: shoulder and elbow; 2nd meeting of the polish shoulder and elbow society (March 2018, Poznan, Poland)
- American Academy of Orthopaedic Surgeons 2018 Annual Meeting (March 2018, New Orleans, Louisiana, USA)

2017

- International conference “Artromost 2017”, “Modern technology of arthroscopic surgery, sports traumatology, orthopaedics and rehabilitation” (December 2017, Russia, Moscow)
- 27th SECEC-ESSSE European Society for Surgery of the Shoulder and Elbow Congress (September 2017, Berlin, Germany)
- First Eurasian Orthopedic Forum (June 2017, Moscow, Russia)
- III International Moscow Course “Junior’s and professional sport: medical problems and solutions” (May 2017, Moscow, Russia)
- Congress of International Society of Arthroscopy, Knee Surgery and Orthopaedic Sport Medicine (June 2017, Shanghai, China)
- Congress of Traumatology and orthopaedic surgeons of Nord Caucasus (May 2017, Vladikavkaz, Russia)
- American Academy of Orthopaedic Surgeons 2017 Annual Meeting (March 2017, San-Diego, California, USA)

2016

- XII Congress of the Russian arthroscopic society (November 2016, Moscow, Russia)
- Modern Technology of Treatment in Current Traumatology and Orthopaedics in Russia (November 2016, Moscow, Russia)
- Crimean Orthopaedic and Trauma forum (September 2016, Crimea, Russia)
- 9th International Poznan course in upper extremity surgery: shoulder and elbow (March 2016, Poznan, Poland)
- 6th Advanced Course on Knee Surgery (EACCME) (February 2016, Val d’Isere, France)
- Sport traumatology Congress “The battle” (January 2016, Rome, Italy)

2015

- International conference “Artromost 2015”, “Modern technology of arthroscopic surgery, sports traumatology, orthopaedics and rehabilitation” (November 2015, Russia, Moscow)
- 26th SECEC-ESSSE European Society for Surgery of the Shoulder and Elbow Congress (September 2015, Milan, Italy)
- “Moscow Shoulder Course” (April 2015, Moscow, Russia)
- XI Congress of the Russian arthroscopic society on the occasion of the 130th anniversary of academician N.N. Priorov (April 2015, Moscow, Russia)
- Russian Volleyball Federation congress for sport medicine and rehabilitation (April 2015, Moscow, Russia)
- American Academy of Orthopaedic Surgeons 2015 Annual Meeting (March 2015, Las Vegas, Nevada, USA)
- 9th Advanced Course on Shoulder Arthroscopy (SECEC-ESSSE) (January 2015, Val d’Isere, France)

2014

- Sport traumatology Congress “The battle” (November 2014, San Marino)
- 25th SECEC-ESSSE European Society for Surgery of the Shoulder and Elbow Congress (September 2014, Istanbul, Turkey)
- First International Scientific and Practical Conference Petersburg Arthroforum and Instructional Course in collaboration with ASTAOR and ARTHROMOST “Reliable solutions for shoulder joint pathologies: Arthroscopic techniques and possibilities of rehabilitation”. (May 2014, St. Petersburg, Russia)
- 16th ESSKA Congress (May 2014, Amsterdam, Netherlands)
- American Academy of Orthopaedic Surgeons 2014 Annual Meeting (March 2014, New Orleans, LA, USA)
- 5th Advanced Course on Knee Surgery (ESSKA) (February 2014, Val d’Isere, France)

2013

- International conference “Artromost 2013”, “Modern technology in shoulder, knee and hip arthroscopic surgery” (December 2013, Russia, Moscow,)
- Scientific-Practical Conference of Central Scientific-Research N.N.Priorov Institute of Traumatology and Orthopaedics “Present and future of Traumatology and Orthopaedics”. (November 2013, Russia, Moscow,)
- Anniversary international scientific conference “The modern approach to the management of a polytrauma patient”. (November 2013, Russia, Moscow,)
- SECEC-ESSSE Closed Meeting (September 2013, Madrid, Spain)
- IACES International Advanced Course on Elbow Surgery (September 2013, Madrid, Spain)
